

You are invited to join us on Sunday 22nd of October

The Getinge Group invite you along with other KOLs to attend a small roundtable discussion during Aortic Live Symposium, which takes place in Hamburg, on an innovative new product called

A-View[®]

Endotracheal balloon catheter

During this meeting we will present the benefits of using A-View modified and how this technique could supports improving patients outcome in your daily practice.

Venue: Bucerius Law School
Helmut Schmidt Auditorium
Jungiusstraße 6
20355 Hamburg

Date: 22 October 2017

Time: 17:45-18:30

No extra fee.

If you would like to attend this discussion round, please contact:
registrations@cong-o.de

Feel free to forward this invite to your colleagues
